YOUNG INVENTORS JOURNAL

PRESENTS AN INTERNATIONAL COMPETITION ON:

HOW TO REBUILD A BETTER WORLD POST COVID-19: Economics, Entrepreneurship & Livelihood

The Covid-19 pandemic has compelled us to make so many changes in our life and work. Can we use this opportunity to change towards a better future for us and the next generation? Let's get involved and make this change happen!

THE PAPER COMPETITION

- Participants need to look at specific problems or issues that they feel requires to be addressed and propose what they think would be a viable and equitable solution.
- Choose an issue related to economic development, entrepreneurship and/or livelihood.
- Your paper can be from the perspective of business, government, consumer, etc.

THE PAPER ENTRY CRITERIA

- 18-40 years old
- Individual/team of no more than 5 persons
- Number of words: Maximum 3,000 words
- Language: English
- Online training will be provided

THE PAPER REQUIREMENTS

- The solution can be a product, methodology, process or even a government policy
- The solution should be useful for an individual or government or civil society, etc.

All papers that meet with the required standards set by the Young Inventors Journal (YIJ) rules & regulations will receive an online certificate of participation; e-mailed to the author and may be published in our online journal, Young Inventors Journal portal: www.younginventorsjournal.com (T & C Apply).
