		<p>as much knowledge as possible in accordance with the money that has been invested by the participants, amidst the increasing trend of scholarships, especially scholarships abroad. Finally, I would like to say to all parties including the community who have supported the success of this event and to the committee</p> <p>3. Opening Speech by Main Partner's Representative</p> <ul style="list-style-type: none"><li>• Andreana: The invited guests we respect, the organizers we are proud of</li></ul> <p>Good morning/afternoon/evening!</p> <p>I am here as a representative from Bank Central Indonesia (BCA) at this extraordinary Impact Circle 7.0 seminar. On behalf of BCA, we are pleased to welcome everyone present at this event.</p> <p>The main theme of today's event is "Unlocking Opportunities: Mapping Your Journey, Shaping Your Future Through Scholarships." This theme reflects our desire to provide space for our audience to explore various aspects related to scholarships as a way to improve their education.</p> <p>Scholarships have a very important role in helping students and students achieve their dreams. Scholarships are not just a source of funding, they are also a gateway to access previously limited opportunities. In this event, we want to give our audience the opportunity to understand more about scholarships,</p>
--	--	---

		<p>starting from the application process to the long-term benefits they can get.</p> <p>We are very grateful to all parties who have contributed in organizing this event. Thanks to the resource persons who gave their time and shared their knowledge. We would also like to thank our stakeholders who have provided outstanding support. Without their cooperation, this event would not have been possible.</p> <p>We hope that through this seminar, our audience will gain a better understanding of the opportunities available through scholarships. Hopefully this event can inspire them to develop their potential, plan their educational journey better, and shape a bright future.</p> <p>We also encourage participants to actively participate, ask questions, share ideas, and build networks with other participants. In productive collaboration and exchange of ideas, we can create powerful synergies to drive positive change in the field of education.</p> <p>Finally, we would like to thank all of you for attending this Impact Circle 7.0 seminar. We hope that this event will provide new insights, deep understanding, and valuable opportunities for all of us to develop our limitless educational potential.</p> <p>Thank You.</p>

Let's welcome Andreana Savany Kartika.</p>

		<ul style="list-style-type: none"><li>● Andreana: Dare to Dream Start Action. What do you think the meaning of success is?  Participant: Success is doing everything right and being able to make the people around you happy.  Andreana: The principle of financial management: set aside your money for savings, don't wait for the rest, income is greater than expenses. Post financial needs, wants, debts, savings, and investment.  1. Needs (basic human needs that must be met)  ex: Food costs, quota fees, transportation costs, course fees, and school fees  2. Wants (Needs that are not urgent and do not have to be met)  ex: high-tech cell phones, branded bags, big motorbikes, fine dining, hair dyes, motorbike modifications, and stay-cation.  3. Debts (Money borrowed must be returned with interest)  ex: good debt and bad debt.  4. Saving (Savings that can be used at any time)  ex: bank/sharia savings and insurance.  5. Investment (Efforts to develop savings within a certain period of time)</li></ul>
--	--	---

		<p>ex: deposits, bonds, property, gold bullion, foreign exchange, mutual funds, stocks.</p> <p>Manage your finances by:</p> <p>50% Needs 15% Wants 0% Debts 15% Savings 20% Investment</p> <p>or</p> <p>50% Needs 10% Wants 30% Debts 10% Savings 0% Investment</p> <p>Risk Profile</p> <p>- Very conservative</p> <p>More profitable the integrity of the principal value of the investment, can not accept the risk of losing the principal value of the investment.</p> <p>- Conservative</p> <p>Expecting a stable investment value &amp; receiving periodic results, only willing to tolerate minimal risk if there is a decrease in investment value.</p> <p>- Moderate</p> <p>Capital growth, accept short-term risk reduction, monitor if there is a decline, do not make disbursements.</p>
--	--	--

		<p>- Aggressive</p> <p>Not afraid to take high risks and optimistic that it will succeed.</p> <p>Fintech: Payment gateway, market investment, and online loans.</p> <p>Risks of online loans: many have not been registered with OJK, trigger consumptive, unsecured, high interest rates, non-payment, debt collectors act, high daily fines, personal data can be spread, payment jams, SMS to HP contacts, and reputation damage</p> <p>Lastly, sharing when you are sufficient is normal, but sharing when you are lacking is extraordinary</p> <p>QnA session: Wave</p> <p>Documentation</p>
